## **Webinar on Patient Safety - The Neglected Necessity**

Association of Healthcare Management Professionals - India ( AHMP) had their inaugural webinar on "Patient Safety - The Neglected Necessity" on the 7th November 2020.

The speaker was Dr. Clive Fernandes, Group Clinical Director, Wockardt Group of Hospitals, Mumbai.

AHMP's President Shri A Mahalingam welcomed the speaker and the participating delegates.

Dr. Wasim Ghori, Senior Diabetologists and Member AHMP introduced the speaker highlighting his multiple achievements and contributions to the healthcare industry.

Dr. Clive Fernandes in his crisp, clear and down-to- earth 60 minutes presentation, emphasized the importance of Accreditation and the mindset that is primarily needed for compliance of the stipulations - not on an adhoc basis but continuously. He said the commitment, empathy, sincerity in Communication, the patience to look at the root cause of failure /event are all absolutely needed in the Leadership and these qualities are negotiable.

Dr. Clive answered the questions from participants truthfully and adroitly.

The one-hour webinar concluded with the conveyance of thanks from AHMP to Dr. Clive Fernandes, Dr. Wasim Ghori and the delegates.

Healthcare Professionals from various healthcare institutions participated in this unique webinar and their feedback on the webinar has been excellent.
