MESSAGE

I am delighted to know that the Association of Healthcare Management Professionals (India) is bringing out a souvenir marking the launching of the AHMP (I).

I am happy to learn that a group of 250 healthcare professionals have come together to form this AHMP (I) with a mission to improve the quality and reach of the healthcare in our country.

I appreciate this organisation's objectives in promoting research in management of healthcare, training and development for healthcare professionals.

I am sure their efforts will give a collective and holistic approach to the field of healthcare.

I wish all the professionals associated with the AHMP (India) a great success in their efforts in contributing and augmenting to improve the healthcare systems in our country.
