MESSAGE

To,
Shri A Mahalingam,
President,
Association of Healthcare Management Professionals-India

Dear Sir,

Warm greetings to you and your Team from Goa!

Working together works. Inter-sectoral coordination is one of the four guiding principles of primary health care espoused by the WHO.

I am delighted to learn about the like-minded team of health care professionals from an array of specialties have arrived at a consensus to formulate your esteemed AHMP. I am sure this team effort shall go a long way to assist, guide & motivate many others who will greatly benefit from your rich experiences & wisdom.

It has been a long felt need for such Organizations based on "Make in India" policy and I wish you every success in your noble venture.

Yours faithfully,

Dr Jagadish A. Kakodkar, MD
